Commerce (98.8%)

The pride and inspiration of IIS stands tall holding not only the school flag but the name of the state in high esteem by being the state topper. IIS gives all the credit to his parents, they being his first mentors, the mentors who've groomed him all through, the blessings of all the elders and not to forget, Akshat himself for his sincere hard work. Truly said, hard work pays.

The IIS family wishes him all happiness and success.
