10C

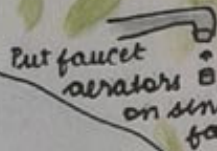

Take shorter showers -
5 minutes or less is best

Install new
toilets that
use less than
1.6 gallon
per flush

YES	NO
	

Use a broom, not a hose,
to clean driveways or
walkways

Put faucet
aerators
on sink
faucets

mulch around plants
to hold water in the
soil.

CHANGING

WATER USE

Save Water

... because water
is future!

MOHI MODI

SAVE WATER

The best gift the coming generation can get is water.

To the earth a favour, be a water saviour!

Don't flush our planet's most valuable resource!

Water is life!
Treat it right!

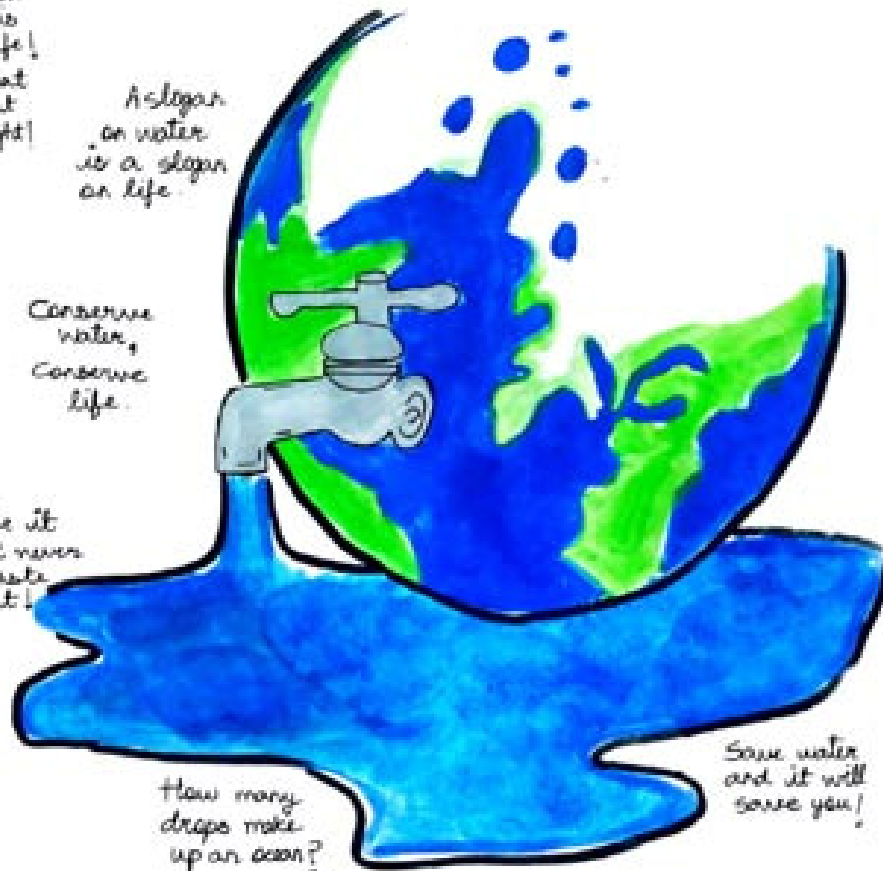

A slogan on water is a slogan on life.

Conserve water,
Conserve life.

Use it but never waste it!

How many drops make up an ocean?

Save water and it will save you!

It's time to change
the **WORLD**

40% of people don't
have access to clean

WATER!

REIMAGING OUR WATER FUTURE!
