INDIA INTERNATIONAL SCHOOL

A Heritage of Vision • A Legacy of Innovation

24 September 2014

Dear Parent,

In the evolving times it is important that the students prepare themselves to the international standards of education where there are umpteen options and fields available for them to explore and prosper.

As you are aware that your ward has already entered the final semester of Grade 12 and now is the time for them to plan and focus on learning and devote time on preparing for the Board Exams.

To deal with this, the school has decided that in Second Term (only) i.e. w.e.f 1st October, 2014 the students of Grade 12 will now attend school from Monday to Friday so that they have sufficient time over the weekend to invest on self study and/or other external preparations in terms of seeking admissions in various universities after they complete their boards.

While we solicit your kind cooperation in this direction, we also urge you to ensure that your ward makes optimum utilization of the time provided during the weekend.

Together we contribute to the overall growth of the generation.

Thanking you,

Yours sincerely,

Dr. Ashok Gupta
Director
