

Visit to Blue Pottery and Block Printing Factory

Arts students of classes 11th and 12th (Painting and Commercial Arts) along with IBDP year 2 (Visual Arts) visited Blue Pottery and Block Printing factory on 12th April 2018 where they got an exposure to the techniques of Bed sheet preparation using Block printing and they got to know about how Blue Pottery utensils are prepared using casting, baking, painting and glaze technique. They were given complete historical information on both the art techniques. It was a very informative and fulfilled visit where approx 110 students participated.
