

May Day Celebration

The International Wing of IIS celebrated the May Day with their extended family of CLSP and a few more members who'd joined recently as 4th grade staff members. This time the activities were divided into three different games, namely, Kho-kho, Seven stones and ofcourse, the boys with the male staff members played their usual all time favourite Cricket.

The seniors pinned their house badge on the shirts of the staff as a token of acknowledgement. They also had the gifts ready which they gave to each one of them as a token of thanks for all that they do for them all through the year. This is that very bond that the IB scholars look forward to establish. The humility of the scholars touched the heart of the staff members. Kailash ji, Janardhan bhaiya and Raj baiji came forward as their spokesperson to bless and thank the students.

IIS is proud to host events like these that inculcates the dignity for labour in students and sensitise them to the real value of self esteem.
