

Three days Regional Level Science Exhibition at IIS

To mark the modern era of science and technology, India International School was endowed with the opportunity by the CBSE to host the Regional Level Science Exhibition on 17th, 18th and 19th August, 2013. 44 schools from all over Rajasthan are participated. The theme of the exhibition was 'Science and Society'. The objective of the exhibition was to promote scientific attitude among young students and to make them realize the interdependence of Science, Technology and Society.

Shri. Rakesh Verma, IAS, Principal Secretary Planning, Govt. of Rajasthan inaugurated the exhibition in the presence of the Director Dr. Ashok Gupta and the eminent judges

- i. Prof. Y.K. Vijay, Director CDPE, University of Rajasthan, Jaipur
- ii. Dr. H.R. Tiwari, Associate Professor of Department of Electrical Engineering, MNIT Jaipur
- iii. Dr. K.V. Rao, Associate Prof, University of Rajasthan
- iv. Dr. Sanjeev Agarwal, Prof. in Electronics and Communication MNIT, Jaipur
- v. Dr. H.C. Jain, Retd. Prof in Botany, University of Rajasthan.
- vi. Dr. M.s. Desora, Retd. Prof. in Botany.

A total number of 74 models were displayed in the exhibition by the budding scientists on various sub themes:

- i. Industry and Mathematical modeling
- ii. Transport and Communication Information and Education Technology
- iii. Community Health and Environment – Natural Resources and Conservation

The valedictory function was held on 19th August, 2013 in the IIS auditorium at 3:00 p.m. Prof. R.K.Bansal Emeritus Professor, IIS University was the chief guest on the occasion. He gave a number of useful tips to the students on the application of Science and Technology in our life. The esteemed judges thoroughly examined and appreciated the students' innovative ideas and the dexterity with which they had prepared the models. The best 12 models were selected for the national level competition.

The Director Dr. Ashok Gupta declared the results, thereafter the Sr. Vice Principal thanked the chief guest, judges and all the participating teams for making this event a successful one.
