

PLANTATION DRIVE: A TRIBUTE TO OUR FOUNDER DIRECTOR

7 November 2025

The celebration of our Founder Director's birthday on 7 November began on an inspiring and soulful note with a prayer, seeking blessings for wisdom, growth, and harmony. The occasion was marked by a heartfelt tribute to our visionary leader whose commitment to education and environmental stewardship continues to guide and motivate us.

As a meaningful gesture and a symbol of sustainable growth, a *plantation drive* was organized on the campus. **All IIERD Students and teaching & Non-teaching staff** enthusiastically participated in planting saplings, reaffirming our collective responsibility to protect and nurture the environment. Each sapling planted at Sitapura campus represented hope, care, and the promise of a greener tomorrow—values deeply upheld by our Founder Director. The event ended with a self composed poem by Dr. Deepika Yadav expressing gratitude towards founder Director Dr. Ashok Gupta Sir.
