

# INDIA INTERNATIONAL SCHOOL

*A Heritage of Vision A Legacy of Innovation*

## Cambridge Primary Programme An International curriculum for 5-11 year old

*Cambridge programmes and qualifications are taken in more than 160 countries and qualifications are progressive and flexible*

*the world's largest provider of international education programmes*

*Over 10000 schools are part of the Cambridge learning community*

*“Cambridge Primary has changed the way we teach, not only at primary level but thinking ahead, which has been a great asset”*

### ***Our Vision***

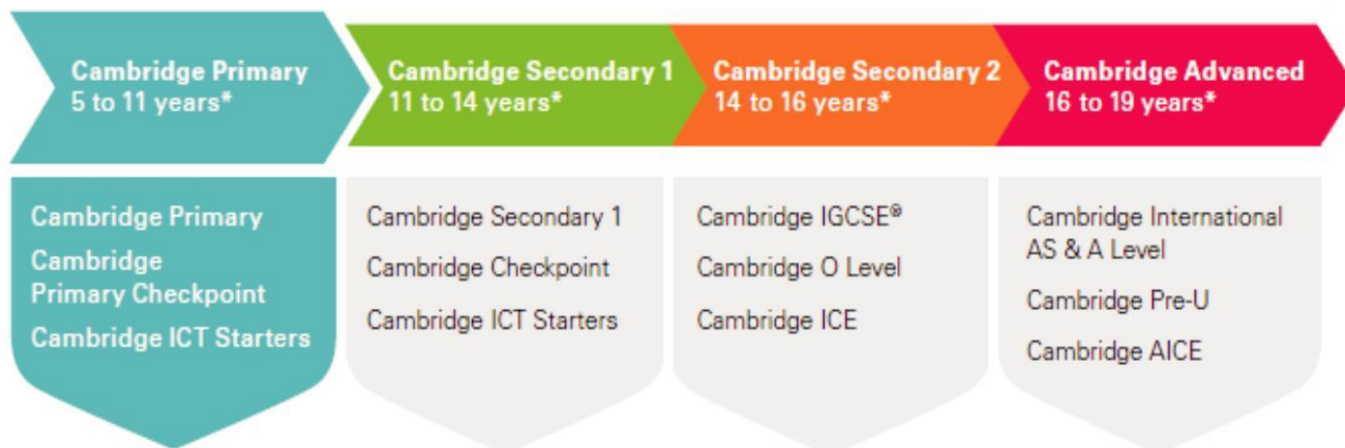

***– ‘A Heritage of Vision, A Legacy of Innovation’***

### ***Our Mission Statement***

*The institution aims at uncompromising commitment towards holistic development and groom ethical global citizens.*

### ***Our Philosophy***

*“IIS caters to the global need of today’s youth, aims to engage learners in an active and creative learning journey, build knowledge and skills, promote and sustain high academic principles while retaining the strong value systems and ethics of the motherland and become responsible members of global community”*

## Cambridge Primary

### A guide to parents

Cambridge Primary provides you with a flexible framework which you can use to tailor the curriculum to your needs. We provide assessment tools to help you identify what children are learning, monitor their progress and report to parents. Cambridge Primary is an excellent preparation for Cambridge Secondary 1, and for progression to other educational systems.

Cambridge International Examinations prepares school students for life, helping them develop an informed curiosity and a lasting passion for learning. We are part of Cambridge Assessment, a department of the University of Cambridge.

Cambridge International Examinations prepares school students for life, helping them develop an informed curiosity and a lasting passion for learning. We are part of Cambridge Assessment, a department of the University of Cambridge.

Our international qualifications are recognized by the world's best universities and employers, giving students a wide range of options in their education and career. As a not-for-profit organisation, we devote our resources to delivering high-quality educational programmes that can unlock learners' potential. The curriculum is dedicated to developing learners who are confident, responsible, innovative and engaged. Each curriculum framework for English, Mathematics and Science is designed to engage learners in active and creative learning journey.

*“If a child can’t learn the way we teach, maybe we should teach the way they learn”*

## Our Curriculum

Cambridge primary provides a curriculum which enquiry – based approach to learning to develop thinking skills and encourage intellectual engagement.

This curriculum aims to enable learners to communicate confidently and effectively and to develop critical skills in order to respond to a range of information, media, texts with enjoyment and understanding. Learners who follow this framework will develop a first language competency in English based on a curriculum designed to be successful in any culture and to promote cross-cultural understanding. The Cambridge Primary Programme provides a solid foundation on which the later stages of education at any level can be built. The Cambridge curriculum is founded on the values of the University of Cambridge and best practices in the school.

- ☞ Focuses on developing knowledge and skills
- ☞ Focuses on learners' development
