

In 1990, Earth Day became an "environmental movement, working with more than 75,000 partners in over 192 countries to drive positive action for our planet".

The theme of **Earth Day 2021** is "**Restore Our Earth**". Thus, we must Restore Our Earth not just because we care about the natural world, but because we live on it.

This year, marking the 51st Earth Day, our college **ICG Institute of Educational Research and Development** celebrated this day online due to pandemic situation prevailing all over the world. Firstly the significance of World Earth Day was discussed among the Students of B.Ed 1st year making them realize we need to celebrate every day as an earth day, then only we can make a change and protect the earth. After this students presented posters online. Charul Garg and Ragini Nagar made posters depicting the current devastation spread by corona, they informed through their poster to stay at home , wear masks and keep hands sanitized . Komal Agarwal prepared a poster highlighting saving of fuel, trees, water, environment and use eco friendly methods instead of wasting natural resources.

The events of the week rekindled emotive concerns and instigated the youngsters to save, love and respect Mother Nature with all their heart and soul.
