

Oral Health Checkup Camp organized

India International School, Sitapura organized an oral health Checkup camp on 3rd Aug. '17 for the students. The students were also given a presentation on challenges and treatment to oral health. The camp was organized in the joint association of Mahatma Gandhi Hospital. Dr. Sumant Prasad Head of the Department Public health dentistry sensitized the students about oral health through working models, charts and PPTs. The children were given reports about their oral health and were asked to keep teeth in good health by avoiding sticky food, brushing twice and rinsing the mouth after each meal.
