

World Heritage Day

India International School, Sitapura observed 'World Heritage Day' on 18th April '17. Class 8 students conducted a special assembly in which they promoted the cause of upholding our rich and varied Heritage. A short speech followed by a song was presented. Badges with the Logo were worn by the students carrying the message that the goal of this Resource manual is to help state parties to manage values within World Heritage. The students appealed to the gathering to support their initiative of plantation in the school campus. All this was done under the stewardship of their class mentor, Ms. Rita Venkatesh who encouraged them for the good cause environment.
