

Workshop on ‘World Intellectual Property Day’

26th April'17 India International School, Sitapura, Jaipur exposed its petals to the legacy of vision and innovation. Keeping up its motto of innovation, a workshop was organized on ‘World Intellectual Property Day’. Mr. Pankaj Kumar, Assistant Professor and Co-ordinator of IP Management cell, The IIS University, Jaipur, a noted personality imparted knowledge to the students. He left the students pondering on how simple ideas lead to innovations improving lives. He promoted the intellectual ideas and creativity amongst all and how they can materialize their Intellectual Property.

The workshop ended with a vote of thanks and presentation of memento to the guest by the Principal.
