

INDIA INTERNATIONAL SCHOOL SITAPURA

A Heritage of Vision • A Legacy of Innovation

Visit to Horticulture Farm

The students of IIS Sitapura visited the Rajasthan Agricultural Research Institute, Durgapura organized by The Times of India (TOI-NIE). The students of classes 6 to 10 learnt a number of things based on agricultural process like green houses, effect of radiation, vermi-compost etc. They also learnt about different types of crop plants, their growth patterns, requirements and pest control. The students of classes 9-10 also visited an insect museum and learnt about the different pests that grow on different crops.

It was a learning experience for all the students.
