

World Students' Day

“If you want to shine like a sun , first burn like a sun.”.

UN declared Dr APJ Abdul Kalam’s birthday as World Students’ day. IIS Sitapura organized a motivational interactive session with Dr L.K.Dadhich, an eminent scholar and environmental Biologist . Dr Dadjich mesmerized the students by quoting several incidents when he met “ The Missile Man” . He guided the students to develop self discipline, character building, logical reasoning and scientific temper. He also laid importance of saving our environment for a healthy future.
