

‘READATHON’

India International School, Sitapura launched a ‘READATHON Project’ on 18th October, 2016. Principal Ms. Dipali Shrivastava inspired the students to develop the reading habits by promising them incentives. A ‘Chaupai Recitation’ programme exposed the students to our rich and religious aspect, enriching their moral values. The last but not the least, ‘colouring activity’ organized for grade 1 to 4 added colours to the event. The children exhibited the great zeal and interest in all the activities. The efforts put in by the teachers and by the students were appreciated by the principal in making the event a success.
