

Placement Cell

ICG INSTITUTE OF EDUCATIONAL RESEARCH & DEVELOPMENT, JAIPUR has a full fledged Placement and Training Cell which caters to the recruitment and employment opportunities for the students of IIERD.

Placement is an integral part of any professional educational programme and a right placement serves as a kickstart to a great career. The Placement and Training Cell at IIERD employs a student-centric approach which analyses the career aspiration of the students and identification the requisite skills to be developed.

The Institute has an excellent placement record with the majority of our students trainees being placed in the leading educational institutions and prestigious schools of the city like India International School, Neerja Modi School, Rukmani Birla School, Vidyashram School, Cambridge Court High School, Sanskar School, Modern School, Warren Academy, Kapil Gyanpeeth, Ryan International School, Cambridge Court World School, Subodh Public School, Jayshree Periwal High School etc.

The Faculty of Education has established its credibility in the past years in having M.Ed. qualified students being placed at the level of colleges and organizations.
