Delving into the sea of Books

Every year 23rd April is celebrated as world book day. This day brings every person closer to books. It encourages a reading habit amongst the people which is very essential for everyone. Students of international wing of India International Scool, Mansarovar from clsp8 to IBDP –JR sang a song " Gotta keep reading" in the school assembly to showcase the beautiful experience of reading books as well as generate interest among students towards reading. International wing of the school also organized ' Swap Shop' for CLSP 6 to IB –SR in which each student and teacher needs to bring an old book and donate it. There was also a reading hour observed for the whole school to develop the reading skills. IIS enjoyed the reading hour with the belief –"I do believe something very magical can happen when you read a book." There was also a story session organized for the Primary wing students. Our little kiddos also read their favourite books and retold the stories.
