PLACEMENT BROCHURE

IIIM
Jaipur

VISION

To be globally responsive and socially conscious, committed to innovation and creativity by developing and disseminating knowledge and practice for learning and resource use optimization and to emerge as an organization with an optimal blend of value based growth and future preparedness, leading to prosperity of the society and nation at large

MISSION

We stand committed with a spirit of enterprise, will to succeed, zeal to grow and objective-achievement orientation through value based education for community at large by creating an environment of intellectual stimulus, scientific orientation and social responsibility.

GOALS

- ❖ To impart education that enables the students to acquire the desired skills and abilities necessary to answer the challenges of the modern world and the process of globalization, due to technological advancements.
- ❖ To inculcate the spirit of enquiry, self expression and independent judgment amongst the students and staff.
- ❖ To enhance the ability to utilize the full potential of Intellectual Capital and learning resources through quality research, consultancy, scholarship and creative performance.
- ❖ To cherish the Indian value system with focus on the Indian culture, traditions and heritage, imbibing the best of the West at the same time.
- ❖ To understand and appreciate human differences in culture, gender and race, and finally to cultivate aesthetic sensibility and moral values in society at large, leading to the strengthening of the spirit of application of knowledge towards National growth.

An Invitation.

The biggest names in the information technology sector have been desperately looking at the trio of the three essentials, Skill-Knowledge and tough initiatives by the newcomers into revitalizing themselves for a tough fight at the workplace. The future is calling them enthusiastically and equally cautioning them to the challenges they will face with the leap that this country and the world will take with a complete turnaround in business perspectives and Computers.

Be it our students at top companies or at start ups this year i am sure would belong to the young entrepreneur who is going all out to bust the all time ethos that youngsters are dependent only on a few jobs. They are proving every mis endeavor by the giants and the retail markets to pull them down and are out to become the facilitators for their juniors who would be a vital factor in driving these young businesses to greatness.

Placements will have a new strategy this year and they are more likely to cash on the start ups. While the Chinese markets chisel on their factors for the reasons of a mid life crisis, India stands young and vibrant and has started flexing the economic muscle.

With its youngest populace, it is pulling to break loose with the Lion treading its start line. There are no reasons to feel that we will not grow at more than 7% in 2016-17, We may surpass the mark but with the precondition that our students work rigoursly hard to achieve the targets their country and their companies have set for them.

No short cuts, The Octane is very inflammable, the trick is to give it the spark with the right perspectives and directions, one wrong move and we will burn our hands.

Steady and Slow is the name of the game "INDIA"

Wishing you all the very best

Dr. Ashok Gupta
Director

About MCA

The three-year full time programme is approved by AICTE, New Delhi and the MCA degree is awarded by the Rajasthan Technical University, Kota. The curriculum is as per the University specifications and is updated from time to time to incorporate the latest developments and changes taking place in the IT industry. The contents are adapted to enable the learners to handle the demands of the industry effectively and successfully. The programme endeavours to impart quality education to the students and imbibe in them an ability to understand and assimilate all new ideas and innovations taking place in the rapidly evolving technology sector.

The MCA programme is designed to:

- enhance logical, creative and analytical skills.
- inculcate the zeal for individual excellence yet reinforce the importance of teamwork.
- foster the spirit of inquiry to keep the students updated of the changing technology.
- strengthen the spirit of application of knowledge towards national growth.
- develop the ability to utilize the full potential of human resources.

The programme provides the students a deep insight into programming techniques like Structured and Object Oriented methods along with Data warehousing, Web Applications Design & Development, DBMS and RDBMS concepts. The students are imparted latest and comprehensive knowledge of Networking, Data Communications and Information Security & Protection which are the backbone of the IT industry. Options for specialization in Artificial Intelligence & Soft computing, e-business, Geo & Bio Informatics and Embedded Systems are provided.

Programme Structure

The programme is carefully structured to equip the budding software professionals with state-of-the-art skill sets, so that they can go out into the corporate world and achieve success.

Year 1

The first two semesters of the programme aim at familiarizing the students with the foundational aspects of the core courses along with specialized knowledge pertaining to various functional areas to develop an appreciable understanding of the discipline and inculcate appropriate programming skills.

Year 2

The next two semesters are devoted to study of Advanced Database concepts, Web Technologies, Software Development Techniques, Open Source Software and Platform independent development environment.

Year 3

The concluding year gives an insight into the current trends including Wireless Technologies, Artificial intelligence, Object Oriented Software Engineering and specialization in ERP, Embedded Systems, Geo Informatics, Bio Informatics and Information Security. It also provides the participants an opportunity to gain real life professional experience through on-the-job training. The training comprises intensive learning experience through a six month association with reputed corporate houses to hone the skills of budding IT Professionals.

The Curriculum

Semester II

- 201 C++ and Algorithm & Data Structures
- 202 Computer Oriented Numerical and Statistical Methods.
- 203 Programming in Java.
- 204 Operating System
- 205 Data Communications and Computer Networks.
- Practical
- 251 C++ Lab.
- 252 CONUM Lab.
- 253 Java Lab.
- 254 Communication & Soft Skills.

Semester IV

- 401 Software Engineering.
- 402 .Net Framework & Programming in ASP.Net.
- 403 Open Source Operating System.
- 404 Artificial Intelligence.
- Elective - I*
- * 405 - E-commerce.
- * 406 - Compiler Design.
- * 407 - Data Mining & Data Warehousing.
- Practical
- 451 System Design Project.
- 452 .Net Lab.
- 453 Open Source OS Lab.
- 454 Colloquium (Group Discussion).

Semester I

- 101 Computer Architecture.
- 102 Accounting and Financial Management.
- 103 Data Base Management System.
- 104 Programming in C.
- 105 Discrete Mathematics.
- Practical
- 151 Prgramming in C.
- 152 DBMS Lab.
- 153 Office Management
- 154 Microprocessor Lab.

Semester III

- 301 Java Technologies.
- 302 Web Technologies & Development.
- 303 Computer Graphics.
- 304 Advanced Database System.
- 305 System Analysis & Design.
- Practical
- 351 Advanced Java Lab.
- 352 Web Design Lab.
- 353 Computer Graphics Lab.
- 354 Advanced DBMS Lab.

Semester V

- 501 Object Oriented Software Engineering.
- 502 Analysis & Design of Algorithms.
- 503 Wireless Technologies.
- Elective - II*
- * 504 - Bio-Informatics.
- * 505 - Geo-Informatics.
- * 506 - Information Protection & Security.
- Elective - III*
- * 507 - Embedded Systems.
- * 508 - ERP Systems.
- * 509 - Soft Computing.
- Practical
- 551 Software Project.
- 552 ADA Lab.
- 553 Wireless Technologies Lab.
- 554 Seminar.

Semester VI

- 601 Industrial Project.
- Every student is required to spend six months in an organization of repute to work on a real time project.

Our Software Development Experience

MyTube: A video sharing website

MyTube is a video hosting service which allows users to upload videos in various formats and which can further be shared and distributed.

Mainly serving as a portico for entertainment purpose, Mytube can have users create their login accounts where they can upload, watch and share videos, be it a short video clip or a full length movie.

It provides a hassle-free & simple interface, where uploading a video and streaming or embedding is be effortless.

E-Certificate

A user-friendly application to generate certificates of different types ranging from course completion, participation, success in competition, performance appreciation etc. The user has multiple options to choose from readymade designs, and also to generate tailor-made formats.

MOGI-An online Logo shop

MOGI, an interesting way of managing exclusive pre-made logos for Business by logo design experts & a graphic design company, this project facilitates users to find logos and related information along with online purchases.

It provides numerous choices of logos to select from the respective categories and strives to offer maximum logo design possibilities to assist users in buying an outstanding logo for their business and also provides customization options. The project also includes a shopping cart, a piece of e-commerce software that allows users to select logos for eventual purchase.

Zappos

Zappos is a highly parameterized, user-friendly web-based application where users can place online orders and get indulged in buying and selling activities. It is a business-to-consumer web-based application which provides all required information at a single locale. An e-commerce portal providing a wide array of products in accordance to the range of diverse age groups, users can also keep a count on their orders or shipments and verify the invoice against each purchase order.

Landscape

Landscape is a portal that associates all parties to construction projects within local market that meet their exact criteria. It provides users with a platform for visualizing and sharing spatial data and maps, as well as map stories. Users can download project contact data. It also manages and advertises the business and allows posting projects and get responses in seconds. It keeps track of the registered buyers and sellers and the projects posted and provides an advanced search for a project or a builder/seller.

Shop for You

'Shop for you' is an online shopping or e-shopping portal, it is an online buying, bidding and selling application which allows users to interact directly with the sellers in real time, without an intermediary service and provides feasibility to quickly seek the deals for items or services provided by many different vendors.

Food Ordering Portal (FOP)

Fop is an e-commerce service that features interactive menus and allows customers to place orders with restaurants and food cooperatives, through which restaurants can manage the system rapidly and effortlessly.

With an interacting GUI, customers will be at ease to select the food item and can make payment on delivery. Much like ordering consumer goods online, this allows customers to keep accounts with them in order to make frequent ordering convenient.

Online JAM-Jobs and Advertising Market

It is a website that deals with employment, careers and advertising market. It allows job seekers and advertisers to get registered and access the gallery and career guidelines and also raise queries. It uses the web to deliver promotional marketing messages to consumers, to post job requirements for a position to be filled, job-search advice, and describe different job profiles.

Online Book Sales with Mobile SMS

Online Book Sales System with Mobile SMS helps the users to know automatically when a certain book requested by them has arrived once they have registered themselves on the website. It mainly emphasizes on the creation and implementation of Online Book Sales Management Information System and also provides security and confidentiality of customer records.

Computing Facilities

The Computer Labs are accessible round the clock and are equipped with state-of-the art hardware and software. The computing facilities include 8 Mbps Leased Line and the network is configured with UTP CAT 5e structured cabling with switches that provide bandwidth of 100 Mbps to each workstation. The institute also has a Hardware Lab equipped with the latest components to meet the curricular requirements. The Microsoft Academic Alliance facilitates continuous updation of Microsoft Software on new releases. The institute has an AIX Academy Lab with IBM p5 505 on POWER 5 processor, AIX OS, IBM DB2 UDB Workgroup Server Edition, SUSE Linux, and the Hummingbird PC Exceed Server.

Resources

- Microsoft Academic Alliance Program (DreamSpark)
- Development Tools
- Turbo C++, JDK 1.6.1, Oracle 9i
- Microsoft Office 2003
- Tomcat, Wamp Server, Wireless Tool Kit (WTK)
- Scilab, OMNeT++

Operating Systems

- Windows 95/98/XP/2000 Professional/2003 Server Edition/7
- RedHat Enterprise Linux, Unix, IBM AIX, SUSE Linux

Security Tools

- Microsoft Security Essentials

Hardware

- 4 Dell Laptops and 1 Apple Machine
- 219 Intel C2D Series with 2 GB RAM, 160 GB HDD
- 28 IBM Pentium IVs Series with 256 MB RAM, 80 GB HDD
- 1 IBM XEON 226 Series Server
- 1 IBM AIX P5 Series Server

- 1 Cisco 2100 Series Wireless LAN Controller
- 10 Cisco Access Points
- Microsoft IIS Server
- 3 LCD Projectors
- 1 HP Color LaserJet CP2025, 1 HP Color LaserJet 2500, 12 HP LaserJet 1020, 1 UMAX Scanners, 1 Canon Scanner
- 5 Laser Printers connected via LAN, Centralized Printing Facility in whole campus
- Microprocessor Laboratory

Internet Connection

- All the labs, offices and faculty rooms are connected to the internet through the campus intranet.
- Internet connectivity is provided using 15 switches through the campus intranet. 24/16 port switch is used in LAN, providing internet to all systems in the laboratory, classrooms, board room and seminar hall.
- Wi-Fi connectivity through 10 access points at each floor, offices and the staff rooms.

The software tools acquired to allow students to gain practical experience. The following is a list of some of these tools:

Operating Systems

- IBM AIX
- UNIX
- RedHat Enterprise Linux (RHEL 5.0)
- Windows 2003 Server Edition
- Windows XP

Programming Platforms

- Turbo C++
- Visual Studio Enterprise 6.0
- Language Compiler
- JDK 1.6.0
- PHP
- Tomcat

Database Management Systems

- Oracle 9i
- MySQL
- MS-SQL 2005 Server

- IBM DB2
- Developer 2000

Mathematical and Statistical Packages

- SCILAB
- SPSS
- EPI-INFO
- Mathematica

Graphical Packages

- Auto CAD 13.0
- Author ware Pro
- Flash
- Firework
- Dreamweaver
- 3D Studio

Application Packages

- MS Office 2000/XP/2003

- Adobe Acrobat 9 Pro
- Corel Draw 12
- Adobe PageMaker 7.0
- Power Builder 5.0, 6.0
- Adobe Photoshop 7.0
- Micro media Web Development Suite

Other Packages

- Micrografx Flowcharter
- Mastering MFC development
- Windows Exchange Server
- Humming Bird PC Exceed Server
- IBM Tivoli
- IBM LOTUS
- IBM RAD

Services provided by college to all staff members and students:

- Website, E-mail services, Online applications, Data sharing over the LAN
- 24 hours Internet access
- Antivirus and Spam protection

Placement Process

IIIM adheres to an employer-centered procedure for campus placement. It respects needs and expectations of the industry during campus placement. Consistent efforts are made round the year to groom students accordingly.

Campus recruitment offers the organizations a wide choice of candidates and provides a platform for industry-institute interaction. Companies are normally expected to proceed as per the following procedure:

- ❖ Please fill in the Placement Form, ensuring that it is complete in all respects and return it to The Dean Placement International School of Informatics & Management.
- ❖ We would like you to come over to our campus for pre-placement talks. This provides an opportunity for both organizations to know each other.
- ❖ If you desire, we can send you the resumes of interested students for short-listing. The names of short listed students may reach the placement office prior to your scheduled visit to the campus for recruitment.
- ❖ Once we have received the Placement Response Form from the company, we will arrange for pre placement talks and final selection and inform you about the same. Please send us the Response Form as early as possible.
