

5th March, 2026

Dear Parents,

This is further to our circular dated 17th January, 2026.

At IIS, we prioritize student safety above all else. As part of our efforts to ensure a secure environment, we would like to remind you of the importance of following road safety guidelines for our students' daily commute.

- **Students commuting on their own:** Please ensure your ward wears a helmet and has a valid driving licence. Cycle users must wear the cycle helmet.
- **For Private Vans/Autos:** Please verify the driver's police verification, driving licence and Aadhaar Card to ensure your ward's safety.
- **School Buses:** Rest assured, we conduct regular checks and ensure our buses meet all safety standards.
- **Parents escorting their ward:** You are advised to follow the traffic rules and ensure safe parking of your vehicle.

Looking forward to your co-operation as always. Let us work together to keep our students safe and secure.

Regards
IIS, Jpr
