

Launch of Interact Club – A Leadership & Service Initiative for Students of grade 9 to 12

Dear Parents,

Greetings from IIS!

We are pleased to announce a new and meaningful initiative that aligns with our school's commitment to nurturing leadership, responsibility, and global citizenship among our students. In collaboration with the Rotary Club Jaipur Vidyasthali and under the sponsorship of Rotary Club Jaipur Royal, our school is launching the Interact Club for students of grade 9 to 12.

The Interact Club is the youth wing of Rotary International, one of the world's most respected service organizations. This student-led club will provide a platform for our learners to engage in impactful community service projects while developing vital life skills such as communication, teamwork, event planning, and public leadership. It is a gateway to both personal growth and civic responsibility.

Through participation in Interact Club activities, students will gain exposure to global initiatives, learn the value of empathy and service, and cultivate a sense of purpose beyond the classroom.

Students from grade 9 to 12 are invited to register as members of the Interact Club. Those who wish to be a part of the Core Council (President, Secretary, Vice President, Treasurer & Director) will undergo a structured selection process.

Interested students are advised to register through the Google Form provided below:
