**Dear Parent,**

IIS recommends School Bus as an ideal mode of conveyance (to & fro) for students.

Post pandemic, it is observed that parents have refrained from using the school transport. They find it convenient to pick and drop their ward. Vehicles coming in the campus have been a cause of concern, lately as a few students have had a narrow escape of an accident. In the best interest of your ward, vehicles inside the campus will not be entertained.

Keeping in mind the grace and grandeur of the school, it will be appreciated if parents and visitors visit the school in a proper turnout with the same grace to save your ward from any kind of embarrassment.

Hope you will understand and support me as always in this endeavour to make IIS a safe and better learning place.

Best wishes & regards

**Mala Agnihotri**  
**Principal**
