

28th December, 2024

Dear Parent

Greetings from IIS!

It gives me immense pleasure to share **the School Report from November 2023 to October 2024**. Like every year, the theme for the session “Re-Awakening” manifested the cosmic energies to Re-Awaken the holistic aura through excessive exposure and experience, bringing about dynamic growth in our students.

Our IBDP scholar, Kabir Sahni was the Assistant Director at the Harvard MUN & TEDx speaker at the Lotus Petal School, Gurugram. He developed the world's first chatbot for blind students. Highly decorated with many distinguished Math awards at Prestigious Math tournaments, he also won the Bronze Medal in the Queen's Common Wealth Essay Competition. He has authored two books & organised the 1st TEDx Youth at IIS giving the IISians great exposure.

Pehal Singhvi, our pride has many accolades to her credit. She was the Assistant Director at various Ivy League MUNs including Harvard, Oxford and Yale. Studied with winning National and International Debates, she's been recognized as '20 Under 20' Young Leaders by the MU 20 School of Opportunity Summit 2024, Asia's largest Conference for high schoolers, She has received several awards & appreciation at various prestigious competitions.

Nayra Garg, The Junior Ramanujan of IIS

She has been receiving accolades from the foundational stage of class 2 for her outstanding mathematical thinking and logical reasoning. Her achievements at the National and International level are:

In Class-2, Mental Math Asia & World Cup -Rank -1 ; 50\$ & 100\$ cash prize

SIP ABACUS State & National Level Rank -1; 8500/- & 21500/- cash prize

ILRO Int. Rank-1; 5000/- cash prize

In Class -3, Mental Math World Cup-Rank-1; 100\$ cash prize, ISTSE Int. Rank - 1, 1500/ month upto 12 months,

In Class -4, Mental Math World Cup -Rank-1; 100\$ cash prize, ISTSE Int. Rank- 2, 1000/ month upto 12 months

SOF IMO Int. Rank-2; 1100/- cash prize

Talking of the Inter School Competitions: In the Radio Jockey Talk Show, Saachi Jain & Pratiksha Singh Shekawat bagged the 1st prize. At the Python Coding crash, Bhumi Jain & Shriya Kothari stood 1st. Nirosha Srivastava & Aayushman Singh bagged the third position in the Junior category. At the District level Quiz - Bharat Ko Jano" Niharika Prasad, Tavishi Verma & Bhumi Jain brought laurels to the school by winining Inter School Debate Competitions.

In the Tech Hackathon, Bhumi Jain, Shriya Kothari, Antriksh Sharma & Bhuvika Jain bagged the 1st position for their website – Empower hub, focusing on “Women Empowerment”. At the Youth Ideathon, Garvishta Asnani along with Ananya Mathur, Pratiki Agarwal & Purva Taluka were adjudged as one of the Top 500 nationwide, for their product – Solar Empowered Water Purifier.

The Skill Projects created by Vanshika Gupta, Ojasvi Goyal, Charvi Saxena & Yuvika Saxena got recognition and appreciation by the CBSE.

Neha Khiyani, Priyanshi Dalmia & Tanusha Choudhary of IIS World School won the 1st prize in the Online event - THE BALANCE at the CAS Summit organised by DPS Gurugram.

IIS hosted the Dutch Students in July 2024. This cultural exchange program was an enriching experience for our students developing their interpersonal skills and enhancing their global understanding. This year, IIS hosted the 8th Chapter of IISMUN to harness diplomatic skills in the students. IIS has introduced various Skill Subjects like Artificial Intelligence, Data Science, Financial Literacy & Design, Thinking and Innovation for students of grade 6 to 8. The ongoing CAS and SEVA took a new leap with the campaign of donating second hand books to the underprivileged.

The Innovation Hub, under the mentorship of Prof. Y.K. Vijay is the centre for building the scientific temperament in our students, creating a pathway for future scientists. The showcasing of Teaching Learning at IIS during the last PTM, wherein, students exhibited their understanding and talent across multifaceted areas was a grand success. The showcasing of the Business Plan project Kalakriti gave a boost to the students with 02 investors.

The University Counselling at IIS has once again worked miracles with our students' admissions in reputed foreign Universities. IIS conducted outsourced Career Counselling Sessions for students of grade 8 to 12 to give them a wider exposure, IIS campus was a hub to University and College representatives to guide and help students through the tedious task of overseas admissions.

Community Connect is the strength of IIS. Experts from different fields were invited to interact and share their valuable experience; this being parents, our alumni or a resource person from the different sectors of the society. This year IIS initiated the much awaited IIS Alumni Reconnect. A 13 member council was nominated for a tenure of three years. This has created a closer bond amidst the Alumni, the Alma Mater and the IISians.

The school is an active participant with various National and International Olympiads, the IISians excelling in each.

IIS had excellent results this year at the SSE, SSCE, IGCSE and IBDP examination. The SSE topper Bhavishka Sharma, scored 97.6%, Vrinda Sharma, the SSCE Humanities topper was

at 96.2%, Vritika Tiwari, Commerce topper at 96.2% & Dhairya Sharma, the School & Science Topper was at 96.6%, Prisha Tiwari was the IBDP 22- 24 topper with 38 grade points & Khyati Maheshwari was the IGCSE topper scoring A* in 5 subjects. Many of our students got a perfect score in various subjects.

To harness social and interpersonal skills, IIS, besides academics, gives ample exposure through experiential learning. The IISians explore and learn from educational trips, be it a visit to the Vidhan Sabha or an art gallery, to name a few.

The NCC troupe has always done us proud. Our NCC Cadets were part of both CATC- 1 Camps 2023-2024. The IIS NCC troupe was awarded 'The Best Troupe' winning Silver and Bronze. The School has the Bagpiper Band that remains active all through the year giving performances in school as well as outside school.

IIS is a name to reckon with in the Sports Arena. Suhasi Verma represented India in the Asian Badminton Championship, Abhikriti Pradhan was the gold medalist in the Open National Skating Tournament.

The State Level Champions who have brought laurels to the school are Sanskriti Chaturvedi for Squash, Preksha Hurkat, Deshna Jain & Yashavi Sharma, for Badminton. Stuti Rathi for Gymnastics, Harshita Poonia for football, Manasvi Choudhary for Taekwondo, Harshika Sharma & Yoshna Kumawat for Archery and Sunidhi Chauhan for shooting.

Taking sports a step ahead, this year IIS registered with ISSO, giving the IIS World School students an opportunity to compete with other International Curriculum Students across India. IIS World School Badminton Girls' Team with Advika Agarwal, Ashi Tiwari & Ameyaa Soni won the bronze in the U-17 ISSO National Level Badminton Championship.

IIS believes in Futuristic Education focusing on the holistic growth of students. The school management ensures that the faculty at IIS participates in various Faculty Development Programs. Many of our faculty members have been designated as Resource Persons by the

CBSE. Many of them have been appointed by the Cambridge & IBO as IGCSE and IBDP examiners evaluating student responses globally.

The on going 'Happy Hour', 'Meditative Calming Session', 'The School Health & Well Being Programme' have been the strength to meet NEP in the true spirit.

IIS took the initiative to empower the drivers, conductors and guards educating them on basic First Aid, Children's safety in the buses, following Traffic Rules, COTPA & the POCSO Act as well as maintaining Personal hygiene.

In addition to the Monthly & Annual Bulletin that keeps parents updated and informed, the vibrance of IIS was felt on Social Media with regular updates on Instagram, Facebook & LinkedIn. To foster the multi-lingual culture, the school organises a one week literary fest cum exhibition on all languages studied.

The year 2024-25 focused on showcasing the talents of IISians with a change to exhibit their uniqueness. July- Aug witnessed the confidence and potential of the junior petals during the Junior Extravaganza. October witnessed the showcasing of Teaching & Learning at IIS across multifaceted area. Panache, the Annual Cultural Bonanza showcased the theatrical and musical acumen of the senior IISians and the Annual Sports Cum-Cultural Fiesta displayed the Sports and Dance expertise of the IISians. This is not all for lots of laurels have been achieved and the list is ongoing. Looking forward to sharing the achievements very soon.

IIS is the gateway to your wards bright future that will equip your ward with wings to fly high for sky is the ultimate. IIS remains committed to quality service, discipline and immaculate grooming.

Warm regards

Thus, the y-coordinate of point T is -1 , since T' lies in the fourth quadrant.

Step 3: Conclusion

We now know that the coordinates of point T are $(2x, -1)$. The tangent to the ellipse from $S(p, q)$ must satisfy these conditions. To determine the correct values of p and q , we substitute each pair of values into the equation for the tangents and verify if the area of the triangle and the geometric conditions are satisfied.

- For option (A), $p = 2, q = 3\sqrt{3}$.
- For option (B), $p = 4\sqrt{3}, q = 2$.
- For option (C), $p = 5\sqrt{3}, q = 1$.
- For option (D), $p = 6\sqrt{3}, q = 1$.

After verification, the correct option is (C) $q = 1, p = 5\sqrt{3}$.
