Subject: Change in sequence of post result activities of the Board for Class X/XII by providing Photocopy of the evaluated answer books first followed by the process of Verification of marks/Re-evaluation.

Madam/Sir,

CBSE has a well defined post result system for grievance redressal regarding result of candidates. The present system is threefold and linear whereby candidate applying for the first step becomes eligible for the next and so forth.

The present system is:-

1. Verification of marks
2. Obtaining Photocopy of evaluated answer book
3. Re-valuation

This year CBSE has changed the sequence of the application process which will now be as follows:-

1. Obtaining Photocopy of evaluated answer book
2. Verification of marks or Re-valuation or both

Introduction of this new system will allow students to see their evaluated answer books before rechecking and give them clarity on the marks awarded, specific comments, and any errors made. A candidate after obtaining photocopy of evaluated answer book in the first step can decide whether to opt for Verification of marks which entails posting/totaling of marks or any unevaluated questions or Re-evaluation whereby the candidate requests for re-evaluation of a question or questions thereof. A candidate can apply for either Verification of marks or Re-evaluation or both as per due procedure after obtaining photocopy of answer book.

The detailed modalities for applying for Obtaining Photocopy of evaluated answer book and Verification of marks or Re-valuation of Question/s or for both for the candidates who have appeared for the Examinations 2025 will be issued once the results for Class X/XII are declared.

This is for information to all concerned.
