

INDIA INTERNATIONAL SCHOOL

A Heritage of Vision • A Legacy of Innovation

4th May, 2026

Dear Parents & Students,

MNIT innovation and Incubation centre (MIIC), Jaipur is organising a 4 week Summer Entrepreneurship Bootcamp for students of grade 8 – 11 to ignite a passion for technology and entrepreneurship among young students. Instead of just learning theories, students will explore how real businesses are built by spotting everyday problems, brainstorming solutions, and understanding how to turn ideas into action. Through interactive workshops, hands-on activities and mentor-led sessions, students will learn how to identify opportunities, research markets, develop simple business plans and present their ideas with confidence. They will also get exposure to emerging innovations in fields like smart technology, automation and modern mobility, helping them connect their ideas to real-world advancements, including elements of drones and electric vehicles

The program culminates in an **Idea Showcase**, where students will present their ideas in a friendly, encouraging environment. This experience will help them develop critical thinking, teamwork, leadership and problem-solving skills, preparing them for future academic, career, and entrepreneurial challenges—all while having fun and learning by doing!

Program Structure (Mode: Physical)

Tentative Dates:	1 st June to 27 th June, 2026
Daily Schedule:	3 hours/day (10:00 am to 01:00 pm)
Target Audience:	Students of classes 8 to 11
Fees:	INR 9000 per student
Minimum batch Size:	25 Students

- * The bootcamp will feature distinguished mentors from MNIT Jaipur, Startup promoters and the wider innovation community associated with MIIC. These experts will:
- Conduct specialized workshops and interactive Q&A sessions.
 - Share insights into industry trends and the practical challenges of entrepreneurship.
 - Provide critical feedback on student projects, helping refine both technical implementations and business strategies.

By the end of the bootcamp, participants will:

Generate Innovative Ideas, Understand Customer Needs, Develop Business Plans, Build Financial Awareness and Enhance Communication Skills.

Also, all participants will receive a **Certification of Competence** from MIIC validating their newly acquired entrepreneurial skills and practical knowledge—an important credential that can enhance their academic profiles and inspire future endeavours.

Interested students are advised to fill up the Google Form latest by 7th May, 2026 (Link attached). The account details for fee payment have also been provided with the Google Form.

Link (Google Form): <https://forms.gle/Fy4H1fW1pLf8fDKY8>

Looking forward to your ward's participation.

Regards
IIS, Jpr
