

Christmas Jingles At IIS

They say Christmas is in the air. And this was so true at IIS at this year's Christmas celebration. One could feel the Christmas cheer everywhere- on the floors , in the classrooms and more so in the amphitheater. The reception area was beautifully done up with a Christmas tree and reindeer and Santa Claus for company. Holly, flowers, candies, gifts, drums and all other Christmas decorations were seen on all the floors making the atmosphere festive. Soon the amphitheater was abuzz with students of classes 1 to 5 all in their Santa caps waiting for the celebrations to begin. There were Christmas carols , songs and dances. The arrival of Santa Claus brought on a loud cheer of joy and excitement from the students. Santa Claus mingled with the students , shared candies and had a lot of fun. It was a fun filled day for the younger lot at IIS.
