# LABOUR DAY-2025

## Labour Day Celebration at IIS WORLD SCHOOL: A Heartfelt Tribute to Helping Hands

In a thoughtful gesture of gratitude and inclusivity, the IBDP Senior students of IIS WORLD SCHOOL organized a special programme on Labour's Day to honour the invaluable contribution of the school's support staff. The event, held on May 1st within the school premises, was a vibrant celebration of empathy, awareness, and appreciation.

The programme commenced with a warm welcome, followed by a series of engaging sessions where students sensitized the support staff on various government-sponsored health and welfare schemes. The informative segment aimed at empowering the staff with knowledge about benefits they are entitled to, including healthcare access, insurance, and pension schemes.

Adding a personal touch, students presented thoughtfully curated gift hampers to each member of the helping staff as a token of their appreciation. The atmosphere was filled with joy and gratitude, as the staff expressed their heartfelt emotions, overwhelmed by the students' efforts and thoughtfulness. Students organized games like musical chair and alike for the support staff, which were thoroughly enjoyed.

The celebration concluded with a high-tea gathering, where everyone enjoyed an array of snacks and beverages, fostering a spirit of togetherness and mutual respect.

The Principal, Mrs. Nidhi Mishra ma'am expressed heartfelt gratitude to the support staff, acknowledging that without their dedicated efforts, nothing in the school would be in place or run smoothly. She also commended the students for their initiative and underlined the importance of instilling values of empathy and social responsibility in young minds. The event was a testament to the school's commitment to holistic education that goes beyond academics.

Such events not only recognize the contributions of unsung heroes but also nurture a compassionate community within the school.
