NEW STUDENTS ORIENTATION 2025-26

The Principal held a session with the parents of the new students who have joined us in the session 2025-26. The Principal in her session apprised the parents on the various procedures and systems of the school. The idea was to make the settling in process smooth and hassle free for all parents. The Principal also answered all queries of the parents and solved their concerns. It was a satisfied lot of parents that left the session.
