

Junior Extravaganza Fun at IIS

India International School, Mansarovar is marching towards an extra mile with a smile in the momentous task of molding minds. A two day Junior Extravaganza showcased the skills of the little ones and proved that they are learning to walk on the challenging trails with ease and flow. The event was an intra- class competition with each class performing on a given theme.

The tiny tots tried their style on the color based ramp walk while the others presented their tableaux on issues like saving the environment, Indian Geographical features, Indian Religions, Connecting with agriculture, significance of Sports.

Issues like Clean India Campaign, existence of evil old age homes, impact of social media on students, Roller coaster ride of students' life and tribute to Indian Army were brought forward through skits which enhanced their dramatic skills as well as sensitized them about the burning issues.

Regional songs and dances catering to different states of India were the main attractions amongst the audience. The cultural bonanza was a complete learning experience together with singing and dancing. Cent percent participation of primary classes' students gave parents a chance to take away loads of memories of their kid's performance.

The esteemed judges of the event were all in praise of the efforts put in by students and mentors. The school director, Dr Ashok Gupta appreciated students for their beautiful performances.

Principal, Ms. Mala Agnihotri congratulated the winners and participants for showcasing a power packed and entertaining event.
