

# OVERVIEW OF ARTIFICIAL INTELLIGENCE SEMINAR

# OVERVIEW OF ARTIFICIAL INTELLIGENCE SEMINAR

On Wednesday 7<sup>th</sup> May, 2025, IIS hosted a seminar on "Overview of Artificial Intelligence" by Dharatal Tech, attended by Class 11 and 12 Mass Media students. The seminar provided valuable insights into the world of AI, its applications, benefits, and future scope in the media industry. The session was led by Dr. Shipra Mathur, Founder of PEN Media Foundation, and was followed by Takshit Mathur, Founder and CEO of Dharatal Tech.
