

MOTHER'S DAY-2022

It is said that God couldn't be everywhere and so he made Mothers.

IIS celebrated Mother's day in a grand way on 06 May 2022. The primary wing students made lovely Mother's Day cards for their mothers while some students wrote poems for their mothers. All students gave wings to their imagination and made cards, wrote messages for their mothers, one better than the other.

The International Wing students also made their mothers feel special by inviting them to school and putting up a wonderful show for them. The students of CPP 3 & 4 presented English songs dedicated to their moms. The little ones of CPP 1 & 2 as well as CPP 5 showcased their love through beautiful dance performances. Needless to say the program was thoroughly enjoyed and much appreciated by the

mothers. The students of CLSP 6 to 8 welcomed their mothers with beautiful, colorful hand made flowers. Thereafter they were treated to some delicacies that the students had prepared for their mothers as part of what they had learned in Fireless Cooking. The students made Bhel Puri, Sandwiches and Monaco Biscuits with cheese topping. The Aam Panna was a refreshing addition to the delectable dishes enjoyed by the mothers and the students.

The selfie corner was a hit with the moms and students and they made full use of it by clicking pics and getting clicked. The whole event was enjoyed all the more by the mothers as it was a surprise for them.
