The Future Looks Bright

Newsletter November 2025

CHAIRPERSON'S MESSAGE

Mr. Amit Gupta

Chairperson

Dear Students,

Believe in your abilities and rise to every challenge with courage. Let discipline, curiosity, and integrity guide your journey each day. Strive for excellence and remember—the future is brightest for those who dare to dream big.

DIRECTOR'S MESSAGE

Mr. Sumit Gupta

Director & Co-Chairperson

Dear Students,

Your energy, curiosity, and imagination make IIS a brighter place each day.

May you always dream fearlessly, learn joyfully, and grow into compassionate leaders.

On this Children's Day, remember—you are the heart of IIS, and the promise of a shining tomorrow.

Ms. Nidhi Mishra

Principal

Dear Students,

November reminds us that steady effort turns small steps into remarkable achievements. Stay focused, stay disciplined, and let perseverance guide your goals each day. Believe in your growth, your dedication today is shaping a stronger, brighter tomorrow for you.

Ms. Mukta Khandelwal

DPC, IIS (World School)

Dear Students,

I firmly believe that each one of you carries within you the power to excel, to lead, and to make a meaningful difference in the world. Walk forward with confidence, uphold the values of integrity and compassion, and let your actions reflect the excellence you aspire to.

7th November, the red-letter day for all IIS Educational Institutions as it was the 78th Birth Anniversary of the Founder Patron Dr. Ashok Gupta Sir. A special assembly was conducted for students of grade 6,7,10 and 12. Grade 1 and 2 enjoyed watching the Annual Function on their interactive boards,

Grade 3 to 5 enjoyed the same remembering their patron in the auditorium followed by Grade 8, 9 & 11. Grade 6 to 8 ventured into creative writing on the topic of their choice, "My School, My Inspiration", "My Pride IIS",

"A Journey towards Excellence", "IIS Culture – an epitome of Indian Heritage", "A Day that Changed My Life at IIS". The post school was a tribute attended by the faculty of IIS Educational Institutions followed by high tea.

A Humble **Tribute** to the Patron

On November 8, 2025, the Amphitheatre, India International School, Mansarovar witnessed a spectacular exhibition — ROBOFEST 2025, a milestone in the history of the institution. Stunning robotic creations displayed the marvels of futuristic technology. Through each model, students demonstrated remarkable creativity, coding expertise, and problem-solving skills. The fest featured AI and app-based innovations such as Face Detection and Emotion Detection, 3D models, Smart City programming, AR/VR Zones, Gaming Zones that added thrill and excitement. The event provided an excellent opportunity to showcase students' talents and exhibit the vast possibilities of future technologies.

2025

Robofest

The Grand Confluence of Robotics at IIS

Visit to Vidhan Sabha

Students from grade 11 visited the Digital Museum located in the Rajasthan Legislative Assembly. The Principal, Ms. Nidhi Mishra informed that such quintessence of CBSE curriculum is regularly organized by the school making students aware of the Indian culture and tradition through museums and historical heritage sites. In line with this, the visit was organized on Children's Day to give students deeper information about the Constitution. In the constitution gallery, students gained authentic information about Indian culture, civilization, history, and heritage through various artefacts based on the Indian Constitution.

Children's Day Pandora's Box

Pandora's Box on Children's Day had something special for every IISian of the Primary Wing. This fortunate lot from Grade 1 to 7 enjoyed 2 days celebration, for past experiences made IIS venture for outdoor on the first day for grade 1 to 5, and sports for grade 6 to 8 followed by goodies and a Premier Show, 2 episodes of Mahabharat organized by The Collective Artists Network, an initiative of History Verse, Made in India, on the second day, much to the envy of the others. Students were elated with fun-filled activities, sumptuous food and all the pampering. The transport to and fro was comfortable in air-conditioned coaches.

First Edition of **Interhouse STEM Competition**

The Interhouse STEM Competition on 15th November 2025 encouraged on spot innovation and futuristic thinking. A four-member team from the 5 houses participated.

Three engaging rounds including a quiz, model-making and final presentation with only 2 winners to be declared was like walking on ambers. The on-spot topic challenged students to think creatively and apply core STEM principles. Teams built innovative models using the provided material, showcased their understanding through clear, well-structured presentations. The event encouraged critical thinking skills and hands-on problem-solving. Daffodils were declared the winners. This will be taken to the next level by mid-December, wherein, all teams are expected to create prototypes of their ideas based on the suggestions given by the judges. Only after this round will the actual winner be declared.

NEW VENTURE

The Charter Presentation and Installation Ceremony of the newly established Interact Club India International School, Mansarovar was held on 25th November 2025, in collaboration with Rotary Club Jaipur Royal and Rotary Club Jaipur Vidyasthali. The Charter was Installed and presented by the District Governor, Rtn. Pragya Mehta to the Principal, Rtn. Nidhi Mishra in the presence of the President RCJ Royal and RCJ Vidyasthali.

The District Governor, Rtn. Pragya Mehta honoured the newly elected President and Secretary of the Interact Club IIS, administering the oath and pinning the badges. This was followed by the Interact District Chair, Rtn. Suresh Tak who did the honor of administering the oath ceremony of the Council and the active members.

President Rotary Club Jaipur Royal, Rtn. Poonam Bagadia, RCJ Vidyasthali's partner in service shared the vision of the new club. The District Governor motivated the Interact members and the student fraternity on the significance of 'Service above Self' and the theme for the year "Unite for Good." The ceremony concluded with the mementos to the eminent dignitaries from the world of Rotary.

Language Creators

Out of 32 IISians who have turned into authors from writers and got their book(s) published on Amazon, 5 books have been shortlisted for the NYAF award. Angel Agrawal has 2 publications, Aanya Gupta, Ishaan Gupta and Jiyansh Sharma with one each. We are positive, if this is how students delve into creativity, the day is not far when India International School will be able to give the world Nobel Prize for Literature.

GRADE 6

Relish Outdoors

Grade 6 students from IIS World School went for picnic to Amarsar Camp on 28th November. The trip began with a luxurious bus ride, adding excitement to the day. Students enjoyed outdoor games, team-building activities, nature walk, and delicious food. The refreshing camp environment encouraged bonding and provided a joyful break from routine. All students participated enthusiastically and came back safely with happy memories.

Gaining Knowledge through Experimenting

Students of CPP 3 engaged in an exciting hands-on session to explore the working of simple electric circuits. Using bulbs, switches, motors, fans, lamps and connecting wires, the learners experimented with creating complete and incomplete circuits. They enthusiastically observed how a bulb glows or a motor runs only when the circuit is properly connected. The activity strengthened their understanding of electricity flow, the role of each component, and basic safety measures. The joyful exploration helped develop curiosity, problem-solving skills. Students gained confidence in working with real electrical components.

Visit to Innovation Hub

Students of CPP 5 visited the Innovation Hub for an engaging, hands-on learning experience. The visit aimed to deepen their understanding of key science concepts such as reflection, refraction, dispersion, and rainbow formation.

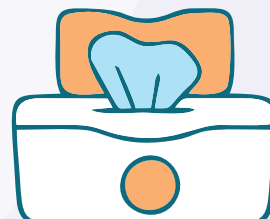

During the session, students observed how light behaves when it strikes different surfaces and passes through various mediums. They explored real-life demonstrations of mirrors and lenses helping them clearly understand how rainbows are formed through the dispersion of light.

The interactive experiments not only strengthened their conceptual knowledge but also sparked curiosity and excitement for scientific exploration. Overall, it was a highly enriching visit that provided practical exposure beyond the classroom.

Health & Wellness Session

A Health and Wellness Session was organized to teach students the importance of staying clean and eating right. Through fun activities and discussions, they learned how good hygiene and healthy food choices help in building strong bodies and sharp minds. Students were told to look for the date of manufacture before buying. The Wellness Session focused on concentration and extending the attention span along with calming and meditation. This included deep breathing.

English Workshop

The IGCSE Jr. scholars conducted a workshop on creative Speaking and Writing on 24 November 2025 for CBSE students of Grade 7 fulfilling the IB mandate of Horizontal and Vertical alignment. Being an English CAS project, scholars were paired, given different topics to research thoroughly to later present before a class. This was open for interaction.

It was a new discovery for the scholars as they found within them a legendary orator and a prolific communicator. This developed confidence and a firm belief in them resonating a renewed energy to take a new leap.

Special Assembly for IB Scholars on Wednesdays

Special Assembly is now held every Wednesday exclusively for IIS World School Scholars on the ten IB Profiles. November witnessed the showcasing of two traits, Knowledgeable and Inquirers. This gave the scholars ample of exposure to present through role plays, script writing, expression, vocabulary building and diction. This endeavour undertaken boosts their confidence bringing more clarity to the programme undertaken.

Integrating Disciplines

A classroom debate was held on the topic "Job Satisfaction vs High Salary." Where one team argued that job satisfaction leads to motivation, better performance, and long-term happiness, the other stated that a high salary is essential for financial security and a comfortable lifestyle. Both sides presented strong and clear points. The debate helped students understand that career choices depend on individual priorities.

IISians **Win Laurels** at Inter-School Competitions

Divyansh Daswani

A Distinguished Performer in
OVER-BOOKED 2025
Whoppsy Whiffing

held at JPIS

Vihika Sharma
