

VISIT TO VIDHAN SABHA

Students of grade 11, India International School visited the Digital Museum located in the Rajasthan Legislative Assembly. The Principal, Ms. Nidhi Mishra informed that such quintessence of CBSE curriculum are regularly organized by the school making students aware of the Indian culture and tradition ('Bharat Bodh') through museums and historical heritage sites located in the city. In line with this, this visit was organized on Children's Day to give students deeper information about the Constitution and increase their interest. In the constitution gallery, students gained authentic information about Indian culture, civilization, history, and heritage through various artifacts based on the Indian Constitution. According to Sr. Adv. Surya Pratap Singh Rajawat, a nominated member of the Legislative Assembly's Expert Committee, this digital museum has been built to make the youth aware of the Constitution. He also mentioned that to make it student friendly, entry to this museum is free and timings are from 10:30 a.m to 4:30 p.m.
