

BIG CAT CONSERVATION AWARENESS PROGRAMME

The Interact Club and Eco Club of India International School, Jaipur organized Big Cat Conservation Awareness Programme on 22nd May with the objective of spreading awareness about wildlife conservation and the importance of preserving ecological balance. The programme was conducted on the theme “Save Big Cats, Save Ecosystem, Save Humanity.” The event witnessed enthusiastic participation from Interact Club Council Members and Active Members, who engaged in a thought-provoking group discussion on the significance of conserving big cats such as tigers, lions, leopards and cheetahs. Students shared their views on environmental protection, biodiversity and the role of young citizens in creating awareness for wildlife conservation. As part of the programme, students also prepared creative and impactful posters highlighting the urgent need to protect endangered species and preserve natural habitats. The activity concluded with a meaningful pledge where students collectively committed themselves to spreading awareness and contributing towards environmental conservation. The programme served as an enriching learning experience for the students and reflected the commitment of the Interact Club and Eco Club towards social responsibility, environmental awareness and the Rotary ideal of “Service Above Self.”
