

# FIRST PARENT-TEACHER MEETING OF SESSION 2026-27

The First Parent-Teacher Meeting of the academic session 2026-27 for Classes 1 to 12 was successfully conducted on 16th May, 2026 across all classrooms. The key focus of the PTM was to individually apprise parents of their ward's academic progress & classroom performance. Teachers shared detailed feedback on strengths, areas of improvement, and behavioral observations with each parent in one-on-one interactions. Parents appreciated the transparent communication, innovative teaching practices, and individual attention given to every student. The PTM fostered a strong home-school partnership and concluded as a successful and fruitful start to the session.
