

Future Policy Makers at Work- Youth Parliament

Students discuss national issues in youth parliament

India International School, Mansarovar hosted a youth parliament in the Senate Hall to give an enriching experience to the students. A healthy discussion was observed on topics like Jammu and Kashmir Re-organisation Bill and the sub agendas- Ban on Crypto Currency, Inter-State Water Dispute Act, and Ban on E-cigarettes.

The Youth Parliament helped in the understanding of the working and procedures of the parliament. It was an exhilarating

experience for all the participants and the audience alike. They accomplished the objectives of debating, deliberating, and also finding viable solutions for matters of national concern. In the process, they have imbibed traits of responsible citizenship
