16th December, 2025

Dear Parents,

Greetings from India International School, Sitapura.

This is to inform you that CBSE has issued important guidelines for Class X Board Examinations (2025-26) regarding the Science and Social Science question paper pattern. These changes have been introduced to ensure fair and accurate evaluation.

Science Question Paper Pattern

The Science question paper will be divided into three sections:

- Section A – Biology
- Section B – Chemistry
- Section C – Physics

Social Science Question Paper Pattern

The Social Science question paper will be divided into four sections:

- Section A – History
- Section B – Geography
- Section C – Political Science
- Section D – Economics

Important Instructions for Students

1. Students must divide the answer book into 3 sections for Science and 4 sections for Social Science before writing answers.
2. Answers must be written only in the space meant for the respective section.
3. Answers of one section should not be written or mixed with another section.
4. If answers are written in the wrong section or mixed, they will not be evaluated and no marks will be awarded.
5. Such mistakes will not be corrected during verification or re-evaluation after the results are declared.

Parents are requested to kindly discuss these instructions with their ward and ensure that students practice writing answers strictly section-wise. Sample Question Papers are available on the CBSE Academic website for reference.

For any clarification, please feel free to contact the school.

Regards,

Dr. Anju Jaideep
