IISS/Cir. No.-07/19-20

Dear Parent
Greetings!

The School Management takes great pleasure in welcoming the new members of IIS Sitapura who have sought admission in the session 2019-20.

I am sure that your child is by now happily settled and enjoying the academics and co curriculars in school. We understand that a new school has some new systems and expectations and it is important for parents, students and teachers to be in sync with each other.

To provide you the required information and assistance, I look forward to meeting all of you with your wards by way of an orientation programme on Saturday, 27th July'2019 at 08:00 am sharp in the School Auditorium.

Please be seated by 7:50 am to help us begin the programme on time which will be followed by the first PTM of 2019-20.

With Warm Regards

Kamna Tiwari
Principal

India International School

Date:23/07/2019

Sitapura, Jaipur

Dear Parents,

India International School in association with XAP Edubots Technologies presents the advanced Robotics/Technology curriculum at school. XAP Edubots is a pioneer in bringing **ROBOTICS / NEW TECHNOLOGIES / CODING/APP DEVELOPMENT** and **S.T.E.M. EDUCATION** (Science, Technology, Engineering & Mathematics) for students and teachers in schools. Technology Education is an excellent multi-disciplinary field which imparts practical, activity-based and hands-on knowledge aimed to ignite passion in young students.

LEGO EDUCATION, OPEN SOURCE, ARDUINO and **3D Doodler** platforms will be used to impart the STEM/TECHNOLOGY Education and related concepts. In senior classes **3D Printing** as well as **DRONE** will be introduced to understand the concept of AERODYNAMICS. These solutions provide a unique 'hands on, mindson' environment that supports and enriches the entire learning process.

After undergoing this program, it is observed that, children are

1. Able to apply fundamental life skills, language, and basic mathematics and science concepts to real life situations.
2. Are Educationally competent, technologically literate, and have a clear edge over other students.
3. The motivational effects of Robotic Technology help children excel in academics.

Participating students will be prepared for various competitions like **First Lego League, ROBOCUP, IIT Tech Fest etc.** In the past, our students have represented India at International competitions held at Japan, Germany and Canada. This year, our students will be going to Australia to compete at the International Level.

Details for the 2019-20 sessions:

Total number of classes	<input type="checkbox"/>	15 sessions
Total Fees	<input type="checkbox"/>	3000/- per Annum
Registration open for	<input type="checkbox"/>	Grade 1 st to 9 th & 11 th

Kindly note: All components, equipments and DIY kits will be provided to the students in the Robotics Lab, at no additional cost. Students will not be allowed to carry equipment home.

- In case any child wishes to buy some equipment it can be provided for a cost for which the child /

parent can contact the Robotics teacher.

10 April, 2019

Dear Parent,

The school is planning to organize **Martial Arts, Self Defence and Kick Boxing** Classes for the students of Grade II to XI from 15 April, 2019. The classes will be held during the zero period.

Class	Days
II to V	Monday, Tuesday, Wednesday
VI to XI	Thursday, Friday, Saturday

The students who wish to attend these classes are required to deposit an amount of **Rs. 1200/-** for the month of **April, May, July, August and September 2019** latest by **15 April, 2019** with their respective class teachers. The students who are enrolling this year need to pay an extra amount of **Rs. 520/-** for the kit, which will be given to the students later.

The seats are limited, so the preference will be given on first come first basis. Interested students are advised to deposit the money at the earliest.

Thanking You,

Yours sincerely,

Seema Sharma
Principal
