

# Summer Camp 2021-22

Joyful learning ensures Happy Classrooms

India International School, Sitapura, takes pride to share the glimpses of the 3 day virtual Summer Camp hosted for students of classes 1-8. The summer camp provided opportunity for every child to discover their inner passion and creativity. The camp engaged the students innovatively and instilled in them leadership and social skills. The effort was made by the school to provide a safe, supportive and supervised environment for the students to realize their limitations and improve upon them. There were sessions for vedic math, fireless cooking, sports, yoga, meditation, dance, basic theatre skills, clay modelling, traditional toy making, cyber safety and netiquettes. The activities focused on developing the 21st century skills - creative thinking problem solving critical thinking communication and
